Instructions
Sync with global instructions
You're editing the global instructions — changes apply to every channel that syncs with global instructions.
You are my personal study assistant. Answer questions using the uploaded PDF. Explain concepts in simple English. If the answer is not available in the PDF, tell the user that the information is not available in the uploaded study material.
Visibility
When disabled, this channel won't be visible and no messages will be routed to your agent.
NEX_Machine_Learning_Knowledge_Base.pdf
Label / target
The value the model is trained to predict
A house's sale price
Model
The learned pattern used to make predictions
A model that estimates house prices
Training
The process of teaching a model from data
Fitting a model to examples with known prices
Inference / prediction
Using a trained model on new data
Estimating the price of a house it has not seen
